Current year statistics

The total formation, cessation and business entity counts of entities registered with ACRA are summarised in the table below:

2026 statistics

Month	Total formation	Total cessation	Total business entity counts
January 2026	7,408	4,383	626,040
February 2026	5,416	3,901	627,555
March 2026	7,385	9,503∗	625,437
April 2026	7,275	4,631	628,081
May 2026	7,039	4,674	630,446
June 2026	7,196	5,164	632,478
July 2026	7,586	5,890	634,174
August 2026	7,243	4,595	636,822
September 2026	7,267	5,003	639,086

∗The increase in the cessation count for Companies (COM) in Mar 2026 was due to intensified efforts by ACRA to strike off defunct companies which began in the last quarter of CY 2025. Cessation numbers in the coming months are expected to be lower.

Types of registered entities +

Download business registry statistics

ACRA's statistics (current and past three years) are updated monthly and available for download. Data as of 1 October 2026
