Important Information:

- Annual fees are spilt into three equal amounts and billed on a termly basis. There are three terms in each school year and the length of each term is not a relevant factor.
- For **new students**, two terms school fees are payable in advance prior to admission:
  - First term's school fees as confirmation of acceptance of the place
  - Following term's school fees payable prior to the start of the first school term
- For **existing students**, the school requires two terms school fees to be paid before the start of a school term and each term school fees shall be paid as illustrated below:
  - Term 1 school fees are payable prior to the start of Term 3 of the previous school year
  - Term 2 school fees are payable prior to the start of Term 1
  - Term 3 school fees are payable prior to the start of Term 2
- In the event Term 1 school fees are billed before the School's announcement of an increase of school fees, the additional school fees applicable will be included in the Term 2 school fees invoice.
