Breakdown of employees by the 14 major economic sectors

The groupings and labels of the major economic sectors (MESs) have been redefined since the entry into force of the new classification of economic activities "NAF 2025" on 1 January 2026. Consequently, the sectoral results have been recalculated and are not comparable with those in previous publications.

Note: the arrows represent the change in the number of employees in each sector compared with 2024
up | down | stable (corresponds to a variation between -1% and +1%)
